POLICE CHIEF'S MONTHLY REPORT

The Chair announced the new Sergeant-at-Arms, Sergeant Jon Buchholz, and extended his appreciation to Sergeant Roger Roldan for his service as the previous Sergeant-at-Arms.

John Perez, Police Chief, provided an oral presentation on the agenda item, and responded to questions.

The Chair thanked Chief Perez for his continued leadership and for strategically responding to the serious issues confronting the Pasadena community.

The following individuals provided comments and/or questions regarding Assembly Bill (AB) 392, and/or expressed concerns with the two officers involved in the altercation with Mr. Christopher Ballew and their continued employment with the City:

In response to Vice Mayor Hampton, Javan Rad, Chief Assistant City Attorney, noted that the case involving the two Pasadena Officers and Mr. Ballew is still under litigation and no additional information is available at this time.

Vice Mayor Hampton expressed his concerns with the rise of sexual assaults linked to online dating, and asked City staff to consider a public education campaign on how to stay safe when participating in online dating. He also expressed concerns with gunshots being fired in his district and witnesses not willing to come forward, and asked the Police Chief to consider ways to address these issues, and acknowledged his ongoing efforts in building police-community relationships.

In response, the Chief noted he would reach out to Peace Over Violence, a nonprofit organization, on collaborative efforts to circulate information/tips on how to stay safe while using online dating and dating apps.

NEW BUSINESS

ACKNOWLEDGE THE PASADENA FIRE DEPARTMENT'S REPORT REGARDING PERFORMANCE OF ANNUAL INSPECTIONS PURSUANT TO SECTIONS 13146.2 AND 13146.3 OF THE CALIFORNIA HEALTH AND SAFETY CODE

Fire Chief Bertral Washington, introduced the agenda item, and Wendell Eaton, Fire Battalion Chief, provided a PowerPoint presentation reviewing the agenda item, and responded to questions.

The Mayor and Councilmember Madison spoke on the importance of having available resources to carry out inspections in order to meet state requirements, and the need to consider full cost recovery options. It was also noted that the staff report was helpful in outlining the performance of fire inspections, but that the percentage of inspections completed was concerning, and for staff to anticipate further discussion on this matter.

In response to questions, Javan Rad, Chief Assistant City Attorney, stated that staff would review state requirements to determine what if any legal liabilities/consequences may occur if inspections are not completed as required by the law.

The City Manager noted that City staff would compile the performance record of the surrounding cities to provide comparative data.

Following discussion, it was moved by Councilmember Madison, seconded by Vice Mayor Hampton, to approve staff's recommendation, and forward the item to the full City Council for consideration. (Motion unanimously carried) (Absent: None)
